Dear Mr DAVE WOODALL,

I have much pleasure in advising that your organisation, the **Swan Hills Swimming Club Inc.** has been successful in obtaining a grant under the Volunteer Small Equipment Grants 2007.

The Australian Government has allocated close to \$17 million to fund over 7,700 organisations under Volunteer Small Equipment Grants 2007. This funding is in recognition of the valuable work volunteers carry out for their local communities.

Since 2001, through small grants and small equipment grants, including this year's funding, the government has now provided over \$62 million to help more than 29,000 organisations support the important work of their volunteers.

Attached to this letter is an offer of funding prepared by my Department. To accept this offer of funding please read the attached Letter of Offer and respond as soon as possible. This will enable the Department to process your funding quickly. If you have any queries relating to the Funding Agreement or need assistance in completing the documentation please ring the VSEG hotline on 1800 183 374.

Once again congratulations on your organisation's success in obtaining funding and I trust the equipment purchased will help your volunteers to continue the valuable work they do in your local community.

Yours sincerely
